### CONTACT INFORMATION

#### Organization

Name of Organization \*

Street Address

City

State

 

Postal Code

#### Project Contact

Who should we contact about this application?

Name of Project Contact \*

Project Contact Position/Title \*

Project Contact Email Address  \*

Project Contact Phone Number \*

Amount of Funding Requested \*

\$  .00

Would you consider accepting a reduced award if the full requested amount is not available? \*

Yes  No

Percent of the time operating or miles driven in the Eligible Areas

## Attachments

**Project Description \***

No file chosen

The Project Description should list the type and quantity of vehicles and/or equipment being purchased or replaced, describe where, how, and how much (in terms of miles travelled or hours operating) the new vehicles or equipment will be used, and list the percent of miles driven or time operating in the Eligible Areas for each new vehicle or piece of equipment. The Project Description should not exceed one page.

**Documentation on the new, zero-emission vehicles or equipment \***

No file chosen

Include: i. Specifications, including engine/vehicle model year, horsepower or kilowatt, gross vehicle weight rating (GVWR); ii. Planned use/operation of the new vehicles or equipment (mileage, hours of operation) including route maps for vehicles operating in a fixed-route service, and percentage in each of the Eligible Areas; iii. Fuel consumption data for comparable petroleum- or natural gas-fueled vehicles or equipment.

[Add another Document](#)

**Documents for the old vehicles and equipment (for projects scrapping and replacing old vehicles or equipment; leave blank if not applicable)**

No file chosen

For vehicles, include: i. Specifications, including engine/vehicle model year, horsepower or kilowatt, gross vehicle weight rating (GVWR), and a copy of the Executive Order for the engine (see: <https://www.arb.ca.gov/msprog/onroad/cert/cert.php>); ii. Odometer readings, annual vehicle miles travelled and hours of operation for the previous 24 months or fuel consumption logs; iii. Documentation of California DMV title/registration; iv. Documentation showing the vehicles are in operational or roadworthy condition such as CHP Biennial Inspection of Terminals (BIT) documentation. For equipment, include: i. Specifications, including engine/vehicle model year, horsepower or kilowatt, and a copy of the Executive Order for the engine if available (see: <https://www.arb.ca.gov/msprog/onroad/cert/cert.php>); ii. Documentation as proof of ownership; iii. Operational logs, maintenance record, or fuel consumption logs.

[Add another Document](#)

### Line Item Budget and Source \*

No file chosen

A budget including a line-item estimate for each vehicle or piece of equipment with delivery date. A cost quote from a dealer or vendor must be provided and will be used during the evaluation phase. Project Sponsors may select a different dealer or vendor after a funding award is made, as long as there is no change to the Project Scope.

[Add another Budget Document](#)

### Match Funds and Source \*

No file chosen

The amount and source(s) of match funds and documentation confirming that match funds have been secured.

[Add another Match Fund Documentation](#)

### Timeline/Schedule \*

No file chosen

### Evidence of Authority to Implement the Project \*

No file chosen

Either: a) a signed letter of commitment from the applicant's representative with authority (e.g., Chief Executive or Financial Officer, Executive Director, or City Manager); or b) a signed resolution from the governing body (e.g., City Council, Board of Supervisors, or Board of Directors).

[Add another Evidence of Authority](#)

### Completed and Signed Regulatory Compliance Statement \*

No file chosen

### Letters of Support (optional)

No file chosen

[Add another Letter of Support](#)

### Other Supporting Documents (optional)

No file chosen

Optional: Please provide any supporting documentation to substantiate claims made in the application.
